This update summarizes news, guidance, advisories, and legislative and executive actions taken by federal, state and local governments that impact San Bernardino County and its response to the Novel Coronavirus 2019 (COVID-19) crisis.

- **July 29** - The United States Food and Drug Administration (FDA) posted a [New Template for At-Home and Over-the-Counter Diagnostic Tests for Use in Non-Lab Settings](#), such as homes, offices or schools. This template will be used by commercial developers to help develop and submit emergency use authorization requests for COVID-19 diagnostic tests that can be performed entirely at home or in other settings besides a lab, and that could be available without a prescription.
