

RETURN SAFE | STRONG

San Bernardino County is committed to championing your success and providing resources to ensure a SAFE RETURN and a STRONG RETURN to school. The San Bernardino County Department of Public Health refers to the state standards and does not apply more restrictive guidance.

Public Health resources include:

- **A Site Walk-Through Team:** Upon request by school leadership, a team of public health employees will travel to specific schools to provide recommendations in COVID-19 Outbreak Prevention and Post-Outbreak Safety Recommendations. To request a COVID-19 Prevention Walk-Through Team, please email: SAFEschoolsSBC@dph.sbcounty.gov
- **COVID-19 Prevention and Awareness Workshop Materials:** The Department of Public Health will provide educational materials for schools to lead staff, student, or parent education workshops or send a Health Ambassador to present the information. To request a COVID-19 Health Ambassador Team at your school event, please email: CommunityEvents@dph.sbcounty.gov
- **Contact Tracing:** San Bernardino County's Department of Public Health has a robust team of individuals trained and ready to assist schools to confirm positive cases and potentially exposed individuals and to provide expert knowledge of recent CDC guidance. For questions specific to San Bernardino County school outbreaks or to request support, please email: SRT@dph.sbcounty.gov
