Visit the Digital COVID-19 Vaccine Record portal at [MyVaccineRecord.cdpH.ca.gov](https://myvaccinerecord.cdph.ca.gov) to get started. The Digital COVID-19 Vaccine Record portal draws COVID-19 records from California's immunization systems.

## Provide the requested information

Enter your name, date of birth, and an email or mobile phone number associated with your vaccination record, then create a four-digit PIN.

**Please note:** If you are a parent or guardian and have multiple vaccine records associated with a single cell phone number or email address, enter each digital vaccine record request separately.

## After entering your four-digit PIN

After entering your four-digit PIN, you will see your COVID-19 vaccination information including your name, date of birth, vaccination date(s), and vaccine manufacturer. You will also receive a scannable QR code confirming your vaccine record is authentic.

## What if my record is not found?

If the information you submitted does not return a link, you can re-enter your information making sure to use an email or phone associated with your vaccine record, and double check that your name and birthdate are correct. If your record still isn't found, you may need to correct or update your immunization record. Follow the troubleshooting tips at [cdph.ca.gov/covidvaccinerecord](https://cdph.ca.gov/covidvaccinerecord) or call 833-422-4255.

*\*You can also use the camera on your mobile device and hold it over the QR Code to go to*
