WHAT IS A FQHC?

A Federally Qualified Health Center (FQHC) provides affordable preventative and primary care services for uninsured and under-insured county residents. The FQHC is governed by a Community Health Center Board via a co-applicant agreement with the County Board of Supervisors. Fifty-one percent of the board membership consists of patients that are served by the health centers.

THE HEALTH CENTER STAFF IS HERE TO ASSIST YOU

Please call **1-800-722-4777** to schedule an appointment with us.

Patients are not denied services based on inability to pay. Assistance is available to apply for health and social services.
