

# San Bernardino County COVID-19 Vaccine Provider Weekly Update

Direct San Bernardino County Provider Line: (909) 601-4593 - When in doubt, give us a call!

## Upcoming Tentative Dates for FDA and ACIP meetings

The FDA Vaccine and Related Biological Products Advisory Committee and the CDC Advisory Committee on Immunization Practices have scheduled the following meetings to discuss new and expanded vaccine authorizations:

**June 14, 2022:** Discussion for EUA updates to Moderna vaccines to include those 6-17 years of age.

**June 15, 2022:** Discussion for EUA updates to Moderna and Pfizer vaccines to include those 6 months-5 years of age.

**June 28, 2022:** Discussion for future COVID-19 vaccines and SARS-CoV-2 strain composition.

These meetings will be available for viewing on the [FDA YouTube Channel](#) and [Advisory Committee on Immunization Practices](#) website.

## Pediatric COVID-19 Vaccine Pre-ordering Schedule

Pre-ordering for both Pfizer (ages 6 months-4 years) and Moderna (ages 6 months-5 years) will begin Friday, June 3. There are two waves during which providers can place pre-orders for their location(s). Please note, that the minimum order amount is 100 doses for both products.

### Wave 1: CLOSED

June 3 – 6 by 5 p.m.  
Vaccines will be delivered Monday, June 20.

### Wave 2: OPEN

June 7 – 10 by 5 p.m.  
Vaccines will be delivered June 21-24.

**Only place a pre-order in Wave 1 if your location will be open to receiving vaccines on Monday, June 20 (Observed Federal Juneteenth Holiday).**

Please refer to the Pediatric COVID-19 Vaccine Pre-order Calendar below.

If your facility is interested in receiving these vaccines outside of the wave 2 pre-order, you may also fill out the [Pediatric COVID-19 Vaccine Interest Form](#).

### Preparing for Under 5 Vaccination

The CDC has released a comprehensive guide in preparation for the Under 5 Vaccine. This guide addresses the training barriers and setup required to support this new pediatric product. Please refer to the [Under 5 Vaccination Guide](#).

### San Bernardino Pediatric Provider Page

As an additional resource, the vaccine allocation team has consolidated updates for pediatric providers and other FAQ forms on the San Bernardino County COVID-19 website. Please see [San Bernardino County Pediatric Vaccinations Page](#)

### KidsVaxGrant Opportunity Exclusively for Vaccines for Children (VFC) Providers

The State of California is now offering grant funding to medical organizations enrolled in the federal VFC Program, vaccinating eligible children from birth through 18 years of age. VFC providers newly enrolled in California's COVID-19 vaccine program ([myCAvax](#)) could qualify for \$10,000 to support enrollment and launch a vaccination center. VFC providers currently enrolled in [myCAvax](#), who are expanding operating hours could be eligible for \$15,000. For further information and application requirements, please refer to [KidsVaxGrant Information and Application](#).
