

San Bernardino County COVID-19 Therapeutics Update

Issue 18 | June 17, 2022

“It always seems impossible until it is done.”

-Nelson Mandela

COVID-19 Response

Our job is to create a county in which those who reside and invest can prosper and achieve well-being.

FEDERAL SUPPORT FOR TEST TO TREAT

The Department of Health and Human Services (HHS) Office of Assistant Secretary for Preparedness and Response (ASPR) and the Federal Emergency Management Agency (FEMA) are partnering with the California Department of Public Health (CDPH) to offer Federal Support to established Test to Treat sites. Federal support can be offered for testing supplies, providers including reimbursements or personnel, and pharmacy services. If you are interested in receiving federal support, please email CDPH at cdphtherapeutics@cpdh.ca.gov to be connected with your FEMA representative and request resources.

UPDATED REPORTING CADENCE

Last week ASPR established a new reporting cadence for all available therapeutics. Utilization reporting is now required only on **Mondays and Thursdays, no later than 11:59 p.m. EST**. Reporting is required for all COVID Therapeutics as they are property of the United States government. Additionally, California has the option to request higher thresholds. In order to qualify, providers must ensure that they are completing inventory reporting in Health Partner Portal (HPOP). *Providers who are not reporting are at risk of being denied future allocations due to noncompliance.*

UPCOMING HOLIDAY

There are several upcoming federal holidays which should be noted as County buildings will be closed in observance of these holidays. Additionally, deliveries will continue the Fridays prior to the corresponding federal holiday. However, if you wish to hold your orders on Friday, please contact Amerisource Bergen directly at C19therapies@amerisourcebergen.com.

Juneteenth observed Monday, June 20

Independence Day observed Monday, July 4

Labor Day observed Monday, Sept. 5

San Bernardino County now has an email account dedicated to COVID-19 Therapeutics! Please forward any inquiries to SBCOVID19Therapeutics@dph.sbcounty.gov
