I have been given a copy and have read the Emergency Use Authorization (EUA) and reviewed the FDA Fact Sheet for Recipients and Caregivers for the COVID-19 vaccine product. I have had the chance to ask questions that were answered to my satisfaction. I understand the benefits and risks of the vaccine(s) and request that the vaccine(s) be given to the person named above for whom I am authorized to make the request. I understand that all vaccines have risks and side effects; and that there may be risks that are not known yet. I attest that, to the best of my knowledge and belief, all information reported in this document is accurate and complete. Children aged 17 years and younger may receive the COVID-19 vaccine only with a parent or legal guardian present. As required by state law (Health and Safety Code, § 120440), all immunizations will be reported to the California Immunization Registry (CAIR2). I understand the information in the child's CAIR2 record will be shared with the local health department and State Department of Public Health, shall be treated as confidential medical information, and shall be used only to share with each other or as allowed by law. I may refuse to allow the information to be further shared and can request the CAIR2 record be locked by visiting https://bit.ly/LockMyCAIRRecord. By signing this form, I give San Bernardino County and participating vaccination partners permission to contact me regarding COVID-19 vaccine reminders and access to electronic vaccination records.

By checking the box, I give consent for the child named in this form to be vaccinated with the COVID-19 vaccine. I release San Bernardino County, its employees, and representatives from any liability or further responsibility with regard to receiving the vaccine.
